Source: Statistics Canada, Labour Force Survey, program A050720.

Note: the source for total workers is from Appendix Table IX-3, Statistics Canada Table 282-0053.

Note: 0.0 are estimates with less than 1,500 in Canada, Quebec, Ontario, Alberta, and British Columbia; less than 500 for Newfoundland and Labrador, Nova Scotia, New Brunswick, Manitoba and Saskatchewan; less than 200 for Prince Edward Island.

\*Economic Region

Note: Guelph is included in the Kitchener-Waterloo-Barrie Economic Region.

<sup>1</sup>Definition: Total part-time workers who wanted full-time work includes 4 categories: workers who looked for full-time work but could not find such work because of business conditions, workers who looked for full-time work but could not find such work, workers who did not look for full-time work because of business conditions, and workers who could not find full-time work and did not look for such work

<sup>2</sup>Defintion: Involuntary part-time workers are workers who looked for full-time work but because of business conditions could not find full-time work and had to work part-time. It also includes workers who wanted full-time work but did not look for full-time work.
